Sometimes, my child's bus is late. Why does this happen and what should I do?

Every day, situations arise that are beyond the bus drivers' control. These can include traffic accidents, driver absences, maintenance problems, lane closings and roadwork, weather delays or even a late departure from school. Please be patient, as the drivers make every effort to stay on schedule while being mindful of student safety.

What should I do if my child missed the bus to Sycamore Valley Academy?

Students should be at their bus location at least 10 minutes before the scheduled pick-up times. Parents/Guardians are responsible for transporting children to Sycamore Valley Academy who miss the bus.

Can my child ride the bus home with their friend?

You must first submit a request to the SVA office. Approval is based on available room on the bus. Students are not allowed to get on a different bus in the morning or ride a different bus home without prior approval from a Parent/Guardian.

How do I request a new bus stop after we've moved?

You will need to submit a Change of Address/Bus Service Form. Online and printable forms can be found on our website www.sycamorevalleyacademy.com or you can pick one up from the SVA Office.

How do I report a complaint, issue or compliment in regards to student bus transportation?

Contact the SVA office via email at office@sycamorevalleyacademy.org. Provide as much detail as possible.

This is my child's first year to ride on a school bus; is there anything I can do to help him/her prepare for this new experience?

We recommend that families practice walking with their children to their assigned bus stops. Make sure that your students know their bus numbers. You can also write the bus number and stop location clearly on a note that is attached to a backpack, or write the bus number and stop on a wristband so that the child can carry the information easily without fear of losing it.

Is the bus driver responsible for children until they get home in the afternoon?

The bus driver is responsible for children while they are actually riding on the bus. Parents/Guardians are responsible for children's safety when they are on their way to or from the bus stop.

My child left their belongings on his/her bus. What should I do?

Check with your driver the next day or contact the SVA office at (559) 622-3236.
